### STONE FENCE.

Handsome Piece of Masonry on South Main.

Mrs. E. W. Henderson has taken down the unsightly barbed wires that made a temporary addition to her beautiful new stone fence on South Main street. She has been an earnest advocate of the stock law and has patiently waited for the issue to be finally settled against the cows. On the first day of June she had the wire removed and the low wall stands out in its beauty, admired by all who see it. The fence was put up last winter by Tom Clark, the stone mason, and his son Charlie, and is of native limestone, rough dressed and the blocks fitted together with cement points. It is about eighteen inches high, the top being on a level with the grass in the yard.

### Home Coming Week.

On account of above the L. & N. will sell round trip tickets June 10, 11 and 12, 1906, at one fair plus 25 cents. Limited to June 23. Tickets can be extended by applying to Joseph Richardson at Louisville June 10 and not later than June 23, by the payment of 50 cents for each ticket. Final limit to leave Louisville is July 23d. Mr. Richardson's office will be open one hour before departure of all trains from Louisville. Side trip tickets from Louisville will be sold from Louisville at same rate as tickets going in, and to original purchasers of tickets to Louisville. ### PLEASANT PLACE.

Business College Invites Hopkinsville People to Call.

The president of the Bryant & Stratton Business College, northeast corner Second and Walnut streets, Louisville, requests the Kentuckian to state that the management will be glad to allow all visitors from this section the privilege of making their location a resting place at any time they see fit, especially during Home Coming week. They have one of the most beautiful yards and one of the best lighted and ventilated buildings in that city. Their offices are commodious and many persons will be glad to take advantage of the privilege of resting there during the change of cars to and from the different Falls cities.

Mr. Chas. E. Oliver, of Carrier, Oklahoma, arrived in the city Tuesday for a week's visit. Mr. Oliver moved to Oklahoma two years ago. He was surprised at the many improvements made here in so short a time.

### CEMETERY ADDITION

Now in Possession of the City—Houses Vacant.

The houses recently purchased by the city for the use of the cemetery, were vacated Monday and the city is now in formal possession. One of the houses is a commodious new cottage of six rooms, and this house will doubtless be rented to the sexton's assistant and left standing for the present. The other house can be utilized in some way, or sold and moved away. The deal adds two acres of land with a good apple orchard to the cemetery. The former occupants of the houses have moved a mile or more away to a house east of the city, near First street.

The houses of ill fame adjoining the cemetery had an uninterrupted reign of about ten years. All efforts to abate the evil were futile until the present council decided that annexation would make their suppression possible. Some of the good women of the city assisted greatly in bringing about the sale to the city, that enabled the houses to be closed in ten days after their purchase.

### Fine Flowers.

We received a letter from a customer of our Greenhouse department this week, from Auburn, Ky., which is too good to keep, and reproduce same here omitting his name.

Auburn, Ky., June 2, 1906.  
Mr. T. L. Metcalfe,

Dear Sir:—

Allow me to thank you for the nice flowers you sent me as they were given up by the finest and prettiest by all that had the pleasure of seeing them, and they were in competition with the Bowling Green, Clarksville and Louisville florists.

Thanking you for the favor and trusting to receive the same careful service of you in some future date, I am, yours very truly.

Mr. J. E. Buchanan has gone to Hopkins county on business.

### The Old Reliable Jewelry House

of Hopkinsville is, after all, the best place to get anything in the Jewelry line. There's a record behind us, a record of over thirty years; a clean record of satisfied customers, a record of honest dealing, for honest quality, honest prices. It's a record any Jeweler might feel proud of. And when we sell an article we have in mind that we have a record to maintain, and no shoddy methods, no careless workmanship, no lack of quality. It is ever allowed to mar the record of the past. But to improve, if possible, this record, is ever our aim, and goods are sold for as low a price as it is possible to sell reliable goods.

It will pay you in the end to deal with the Old Reliable Jeweler.
